### Lake Owners & Army at Odds!

## Motor Pool Project the Culprit

by Joe Schrader

Continued construction to complete a paved, 17 1/2 acre parking lot to be used for a Motor Pool at Camp Grayling may well be stalled because of objections raised by the Lake Margrethe Property Owners Association. "Water purity and clarity at our lake ranks 18th amongst all the lakes in the State", explained Cal Brenner, Vice-president of the Association, "and we don't want our image destroyed."

The controversy began recently when lake property owners learned that the parking lot installation was planned on a camp site which drains to the lake, and their concern over lake pollution prompted their formal objection. The project is designed apparently for parking, service work and washing of army vehicles. Property owners feel the runoff from the site may well result in pollution to Lake Margrethe.

The Army has been issued a permit by the Dept. of Natural Resources to fill the proposed site, which has been started, although a paving permit has apparently [See Culprit on page 6]

### Lovells Club To Meet

The Lovells Hook and Trigger Club will be holding their regular monthly meeting August 1st at 7:30 p.m. at the township hall. There will be an Ice Cream Social. Come one - come all. Andy Parker will be showing some of his wonderful slides.

### Cancer Society To Sell Lollipops This Weekend

The 1978 Crawford County Cancer Crusade has netted \$5,232.99 (\$200.00 more than last year), according to Kathy Frederick, Crusade Chairman, thanks to the support of the local people. Despite this, the local unit finds itself short of its goal by \$718.00 with the year near its end. This is attributed to a decrease in memorials and special gifts.

In an effort to reach the goal before the official end of the year, Special Events Chairman Marie Ellingboe has announced plans for a lollipop sale Friday and Saturday, July 28 and 29. The theme, "Help us lick cancer in our lifetime, buy a lollipop", is self-explanatory. Volunteers will be in the downtown area and in the Mall; also, Mercy Hospital Auxiliary will have the lollipops available at their booth. The Girl Scouts will also be assisting in the lollipop sale.

### County Taxpayer Association To Meet

The Crawford County Taxpayer Association will be holding a meeting on Friday, July 28th at 7:30 p.m. at the High School Library.

Along with a discussion of constitutional amendments now being considered, election of officers for the group will also be held.

### Warning

Annual Training will be conducted by units of the Indiana Army National Guard and Air National Guard during the period 29 July thru 13 August 1978.

The various ranges located at Camp Grayling will be utilized during this period. The Air to Ground Range which is located east of Guthrie Lake and north of County Road 612, will be in use during the period 26 July thru 26 August 1978.

These ranges will be closed during the above dates and all persons are warned to stay out of these areas.

by Joe Schrader

A plan to raise \$500,000 in cash and long-range community pledges toward an \$8 million dollar expansion program at Grayling's Mercy Hospital was unveiled recently by Sister Mary Hilda, RSM Hospital Administrator, and other Hospital Officials. The expansion plan is designed to vastly improve medical services at the facility. Official ground-breaking ceremonies are planned for the near future although underground sewer construction and parking lot rearrangement activities are currently underway.

Sister Mary Hilda, RSM Hospital Administrator, stated the following overall objectives of the expansion move are:

—To eliminate conditions which have resulted in public health and fire safety citations.

—To expand various departments whose special needs are not met at present levels of demand.

—To expand various departments to meet anticipated increases in demand.

—To facilitate the present and future addition of services not presently offered by the hospital.

The hospital's service area has grown to a size that

makes many parts of the existing facility inadequate to meet present demands.

The campaign to raise the needed monies will center in a six-county area, including Crawford and Roscommon, as well as portions of Kalkaska, Otsego, Oscoda and Montmorency, which are also served by the medical facility. According to Jack Witter, Campaign Development Director, committees

are now being formed to help organize the overall effort and the announcement of a Steering Committee Chairman is expected within the next few days.

The \$500,000 goal will represent the area's commitment to the expansion effort with the balance of the funding to be obtained by a bonding program through the Michigan Hospital Finance [See Expansion on page 2]

## It's News Here!

### Flapjacks and Flatboats

Just another stack of pancakes? Not on your life! These flapjacks are somewhat a cross between a muffin and a pancake, but better than both.

The story goes that they originated with the trappers and loggers in the Canadian northwoods where these hardy individuals would stow them away for an afternoon meal of substance. Through the years, recipes were handed down family lines.

One such time-tested family recipe is shared for all to enjoy by Pat Fowler at the annual flapjack breakfast of the River Boat Regatta, Saturday, August 19th.

This is also the time to register your AuSable river boat for the float down to Wakeley Bridge and the potluck picnic lunch. There will be fishing, food and fun for all so make a note of the date. For further details contact Bernie Fowler, 517-348-8466.

### Loaded Firearm, Guns and Coin Collection Stolen in B & E

A breaking and entering at a residence on Stephan Bridge Road last week netted thieves a valuable coin collection, a 30-30 Winchester lever-action rifle, a 20-gauge shotgun and a 32-caliber Smith and Wesson revolver, filled with five rounds of live ammunition. Local youths are suspected in the theft according to Sheriff's Dept. Deputies.

Sergeant Charles Haas expressed concern though, that the culprits may not realize the danger involved in the loaded firearm. Anyone possessing any knowledge of the incident is asked to contact the Sheriff's Department.

### Grayling Milltown Tennis Tournament

July 29th & 30th

All prospective players are to report at 9:00 a.m., Saturday, July 29th at the Grayling High School tennis courts. Play will begin immediately. Following are the classes open to girls, boys, men and women:  
12 and under — 13 to 18 — 19 to 35  
36 and Over — Open Doubles

Entry fee will be \$2.00 and a can of new tennis balls per competition. Entries must be dropped off at the Chamber of Commerce office, or phone 348-3336 by 4:00 p.m., Friday. Classes may be cancelled by tournament committee at their discretion.

### Milltown Smorgasbord July 29th

Grayling Lodge #356 F and A M and Grayling Chapter #83 will have their 5th annual Smorgasbord on Saturday, July 29th at the Masonic Temple on Michigan Avenue. They have been serving the Smorgasbord each year as part of the Milltown Festival.

The menu includes, Frikadiller (Danish Meatballs), and Surkaal (Danish Cabbage), as well as Beef and Ham. There will be a variety of salads and desserts.

Serving will begin at 4:00 p.m. Tickets for adults are \$4.00; children under 12, \$2.00 and children 5 years old and under will be free. Tickets may be purchased from members, at the door, or call Harold Kauffman, 348-8920, or Elsie Jansen, 348-5571 or 348-5572.

## 31st Annual AuSable Canoe Marathon Set

by Joe Schrader

The 31st AuSable River Canoe Marathon, considered by many "the grand-daddy of them all", will get underway at 8 p.m., this Friday, July 28th, and represents one of the highlights of this year's Milltown Festival. The grueling, 240-mile, non-stop canoe adventure ending in Oscoda, is considered one of the most challenging sporting events ever conceived. Arrival time in Oscoda is expected at approximately

11 a.m. Saturday.

Prize money this year totals \$4000, with first-place winners grabbing a quarter of that. The first twenty finishers will receive prize money and trophies this year. Some of the best canoeists in the world will be in town to test their skill against 240 twisting miles of the AuSable River, over 6 tough portages to Lake Huron at Oscoda. Race officials say that better equipment, stiffer competi-

tion, constant training by professionals makes record-breaking times a distinct possibility every year. The present record, set in 1974, is held by a brother's team of Jeff and Jerry Kellogg, who stroked their way to Oscoda in 14 hours, 40:09 seconds.

Back in the mid-forties, some folks said such a race could never succeed. Two men thought it could and set out to prove it. Howard Brubaker and Percy Jocks,

both of Oscoda, made the trip from Grayling to Oscoda, paddling by day and camping at night. It took a full three days, but at the end they were determined the race could be run. Since then it has become a Michigan and American Canoeing Tradition.

The event is one of only many planned for this year's Milltown Fete, under the Chairmanship of Mr. Wayne Hindmarsh.

## Mark 50th Wedding Anniversary

Mr. and Mrs. Abner C. Sager of the Main Stream celebrated their 50th Wedding Anniversary this past weekend. They were married in Saginaw on July 21, 1928 and lived there until 1972 when they established residency in their summer home on the AuSable.

Mr. and Mrs. Fred E. Braun (Ab's sister Jean), daughter Nancy and son Paul arrived from San Jose, California on Thursday.

The Brauns hosted a dinner at the Chief Shoppenagon Hotel on Friday for them, their son Ralph of Grand Rapids, Mr. and Mrs. Sam A. Chinery (Ab's sister Louise), daughter Sue Blue and granddaughter Amanda of Saginaw.

Evelyn and Ab's daughter and family, Mr. and Mrs. Leonard E. Kraatz (Shirley) and daughters Sherry and Fay, and James Blue arrived from Saginaw on Saturday.

All were entertained for a buffet dinner at the Chinery's on the AuSable Main Stream.

A centerpiece of white and yellow carnations and mums, ordered from Flowers by Josie of Grayling by the Sagers' son and daughter, adorned the table.

## Expansion

(Continued from page 1)

ancing Authority. Campaign Officials have set October 15th as the deadline for completion of the \$500,000 drive.

The primary objective of the expansion program is to improve and expand hospital

services, although an increase in bed capacity from 106 to 130 will also result. The majority of that increase will occur in the Skilled Care Unit where a 22-bed increase in patient capacity will take place.

Other significant hospital service improvements planned include the following:

—Radiology - a full range of non-cardiac vascular procedures, fluoroscopy under general anesthesia and abdominal ultrasound.

—Operating Suite - a full range of orthopedic surgery.

—Extended Care - Basic care services.

—Coronary Care - Fully approved six bed unit.

—Radiology - Mammography.

—ECG - Electroencephalography & Treadmill Stress testing.

—Operating Suite - Vascular Surgery.

Plans for hospital growth date back to 1976. Since then a Community Advisory Board and a special planning committee along with other work groups have been mapping plans for the construction move. Completion of the project is anticipated in early 1980.

Campaign Officials point out that an investment in Mercy Hospital represents an investment in the future - guaranteed to provide a positive return. The hospital has pledged to provide the best possible health care facilities, equipment and services that can possibly be purchased with the money available for the building program. Cash gifts or pledges spanning a 3-year period will be sought. Further details on the exact content and timetable for the fund raising drive itself will be announced as soon as committee appointments are completed.

A new Arc-shaped hospital addition, to be located in front of the existing facility, will be the first step in the expansion move, to be followed thereafter by extensive remodeling to the interior of the present building. A dramatic architectural change will result as evidenced in the accompanying sketch. Foremost though, is the hospital's commitment and objective to vastly expand and improve its services to the public.

Employment at the hospital, which currently ranks as one of the largest employers in Crawford County, is expected to increase upon completion of the program. According to hospital officials, new staff employees will be required in the fields of nursing, housekeeping, and in maintenance. Mercy Hospital is owned by the Sisters of Mercy Health Corporation, a voluntary, non-profit Michigan Corporation.

The Campaign Drive to raise the needed \$500,000 is on the verge of being launched - and hospital officials and campaign workers urge you to give generously, according to your means, "Because You Care."

## From Our Corner....

To start out this week, we would like to refer to a few things going on in our little village this coming weekend just in case our readers come to this corner first — Check all the pages of your favorite newspaper ... it is full of what is going to happen this weekend during the Milltown Festival ... plus all the normal happenings in Crawford County, which is the only county the Avalanche is interested in promoting ...

While on the subject of Crawford County ... every week seems to bring more worms out of the woodwork ... with the Road Commission, that is.

We are beginning to learn about things we have always wondered if true ... and they are, right in our own back yard ... the bureaucrats are stronger than our own elected officials, of whom we thought were put in office to govern of the people for the people.

Not so ... residents here are finding this out through the appointed board of road commissioners ... they do as they wish ... without any concern of the people they are supposedly working for.

In case you missed last week's corner, we related about the legality of the commissioners in voting themselves life, health, accident and hospitalization insurance ... besides flying in an engineer, allegedly, from Wisconsin to do the work that John Keir was fired from because they said it would be cheaper, and allegations of shortages, which still have not been proven, nor brought up ...

Now comes another dandy ... we are in possession of the magazine "Michigan Roads and Construction", dated July 20, 1978 ... it contains an ad, quote, "Manager Superintendent, must have some experience in management and highway construction. Full benefits. Send resume to: Crawford County Road Commission, P.O. Box 587, Grayling, Michigan, 49738." unquote.

For all of you who may be interested, and do not know, at the present they have a Superintendent of Workers, and we are sure he could handle the job they are advertising for.

We make reference to Norman Feldhauser, born and raised here, worked three years prior to World War II and returned in 1945, and has been employed by the road commission since ... we cannot believe he is not qualified for the job being advertised for ...

We cannot understand the workings of the commissioners in the past couple of months ... we hate to relate to it, but ... there has to be something rotten in Denmark, as the saying goes ... but, we believe it should refer to Crawford County.

Apparently, for some unearthly reason ... someone wishes to be God ... and evidently trying to prove their point ... and it will happen if the people do not show interest.

Monday night is so perfect, all we can think of is we probably should see if we could get a line to upstairs, have the rain come on Wednesday afternoon, and get it over with so we may have some beautiful weather for the Festival weekend ... it's just a thought.

An idle thought ... we have been wondering if when they get through repairing the railroad crossing on I-75 Business Loop, South, there are plans to do similar work at the crossing on M-72 West? ... which again has become a washboard.

Think positive ... have a nice weekend ... we are going to as we await T.J. and Stef and the bosses as we plan on attending a family reunion at a lake just west of Johannesburg ... if Dane, Cyd and Amber were going to be here from California we would have mentioned that ...

### Childrens' Theater This Week

For the past 6 weeks thirty children of the Crawford County area have been hard at work. They have spent a majority of their time in rehearsals for two theater productions which will be performed this week.

The first production brings familiar characters, such as Pooh, Tigger and Piglet, to life as the curtain opens on "House on Pooh Corner." The first showing was Tuesday, July 24th, another performance will be Thursday evening, July 27th. Wednesday and Friday nights, July 26th and 28th will be filled with music and fun when once again you will be witness to the perils of "Hansel and Gretel." All shows start at 8:15 in the Joseph Stripe Auditorium, and the admission price is just one dollar for both shows.

These children have worked very hard to bring life to these shows, so please bring life to the audience Wednesday through Friday nights. We all hope to see you there.

On Thursday evening before the presentation of "Hansel & Gretel" there will be a gymnastic show starting at 6:30 p.m.

Fshern Hanson and Arnold Hubbell were winners in Class A and Dr. Leonard Allison and Bill Hines in Class C at the Grayling Gun Club shoot held last Sunday at the Grayling Golf Course.

### 46 Years Ago July 28, 1932

Mr. and Mrs. Carl M. Hanson and family and Mr. and Mrs. J.L. Martin and son Edward enjoyed a motor trip to Mackinaw City and Petoskey Sunday. They left Edward Monday at Mackinaw as he was enroute to St. Ignace to visit his cousin.

Leo Johnson returned to his home in Detroit Sunday after a two weeks visit with Fred Westerholm at the A. E. Hendrickson home. His father, Sam Johnson drove up to accompany him home.

Mrs. T.P. Peterson and Miss Jean are spending the week in Detroit.

Elizabeth Swanson and Aleck Atkinson attended the Hagenbeck Wallace Circus in Traverse City Tuesday.

Mr. and Mrs. Liland Smock and family spent the week end in Roscommon at the home of Mr. and Mrs. Jess Green.

Jack Hull, Billy Joseph and Bobby Herblison left the first part of the week to attend Camp Daggett at Walloon Lake for two weeks.

Miss Virginia Hartley is spending the remainder of the summer vacation visiting relatives in Detroit.

Miss Gladys Wheeler and a party of friends from Detroit, are guests of Miss Wheelers aunt Miss Jane Ingley at Wildwood, Lake Margrethe.

Miss Lucy Miller, student nurse at Mercy Hospital, left Sunday for Houghton Lake where she will spend two weeks vacation at the home of her parents.

Stanley Stephan and Elmer Neal motored to Cadillac Tuesday. They returned by way of Kalkaska and visited Al Stephan who is running a gas station there.

Mrs. C. T. Kerry and Miss Laura Thomas of Saginaw are at the Kerry summer home at Lake Margrethe for the remainder of the summer. They arrived Thursday night.

Mr. and Mrs. Forrest Barber and children returned to Durand Sunday after spending the week visiting at the home of the latter's parents, Mr. and Mrs. George Biggs.

Mr. and Mrs. B. A. Cooley and grandson, Sam Gust spent Sunday in Vanderbilt at the home of Dr. and Mrs. D.E. Winer.

Mrs. Frank Barnett, Mrs. C. M. Branson, and son John and Howard Schmidt spent Tuesday and Wed. in Interlochen.

Mr. and Mrs. Joe Dingeman of Detroit spent the weekend at the home of the latter's parents, Mr. and Mrs. James McDonnell.

### 69 Years Ago July 29, 1909

Mr. and Mrs. Otto Roeser are entertaining a jolly party of friends from Saginaw and Coleman.

Travel is forbidden on what is known as the Swamp road east of town by order of Highway Commissioner.

Miss Florence Countryman returned home for her vacation Tuesday evening from the Ferris Institute at Big Rapids.

Miss Gladys Hadley went to Petoskey for a little visit with friends there. She is expected home today.

Our long continued draught was greatly broken Thursday afternoon when two inches and one-half of water fell in an hour accompanied by a strong wind and a magnificent display of lightning and rolling thunder. Two inches came in the evening so we think the atmosphere is well cleared and the parched earth given plenty to drink.

Mr. and Mrs. Silas Souse and daughter Jennie are visiting here at the home of Dan McDermid and family.

Jay Smith is in Frederic after spending the winter in Alabama. He reports the folks well and an enjoyable trip.

Dr. Underhill's daughters are making him a visit which he appreciates, as they have not been here for the past three years.

## The Bible Speaks

from Calvary Baptist Church

### A Warning About Worship & Prophecy

Revelation 19:9b-10

We live in a day when true worship of God and the proper study of prophecy is often missing. These two important areas are stressed by the angel of revelation just before the beautiful vision of the bodily return of Jesus Christ to earth is given to John in verses 11-16.

The angel had just stated: "These are the true sayings of God." Verse 9b. The reaction of John to these words is clear from verse 10: "And I fell at his feet to worship him." The aged apostle was going to worship the angel because he was ministering the very words of God.

The reaction of the angel to John's worship is clear: "and he said unto me, See thou do it not: I am thy fellow servant, and of thy brethren that have the testimony of Jesus." Even an angelic being manifesting the very words of God is not worthy of worship. If this be true of angelic beings, how much more earthly beings, even the most blessed virgin Mary through whose body the Word of God was manifest in human flesh.

The 10 commandments direct our worship to God alone. "Thou shalt have no other gods before me. Thou shalt not make unto thee any graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: Thou shalt not bow down thyself to them, nor serve them: for I the Lord thy God am a jealous God..." Exodus 20:3-5.

We are to bow our knees to no person, place or thing, except to God alone. The Bible makes it clear that all other worship is idol worship.

When we worship God properly we will be concerned about the testimony of Jesus or the Words of Jesus, especially those words which deal with prophecy. "Worship God: for

the testimony of Jesus is the spirit of prophecy." Verse 10b. One-third of the Bible is prophecy. Those who play down prophecy minimize the Word of God and the Worship of God. Unbelief is the primary cause of failure to teach prophecy. One minister, no longer in Grayling, told me about 6 years ago he believed only one verse in Revelation is relevant to today's ministry. Many people across Grayling have stopped me and expressed thanks for their first experience in studying New Testament prophecy. (adv.)

**Davisons Celebrate  
50th Anniversary**

Mr. and Mrs. Robert N. Davison of Detroit, who have spent many summers at Camp Margrethe, are celebrating their 50th Wedding Anniversary in Troy on July 29th with friends and relatives from the Detroit area. Then, on August 5th, another party will be held at the Burning Oaks Country Club at Higgins Lake with friends and relatives from the northern area attending.

Robert and Nellie were married in Detroit July 31, 1928 at the Jefferson Avenue Presbyterian Church. They have three children, Ellen Burnett of Sherman, Conn., Sharon Johnson of Seattle, Wash., and Robert Davison of Issaquah, Wash. There are twelve grandchildren and two great-grandchildren. Their children are hosting the parties.

**EAGLES CLUB HOLDS GROUND-BREAKING CEREMONY**—A group of Eagles Club Members, local businessmen, Chamber of Commerce Directors and other interested citizens gathered last Wednesday morning for ground-breaking ceremonies launching construction of their new facility on M-72 East. According to Pete Latusek, former Post President, construction of the new facility is expected to begin immediately on the site where the former building was destroyed in last summer's violent storm. Bill Ballenger is President of the local group. The new building will house social and other meeting rooms and will contain 5,000 sq. ft. Completion date is expected about December 1st. Also on hand for the ceremony were Richard Warren of Gaylord, F.O.F. State President, Archie Fox, also from Gaylord, a former State President, and Norm Lesinski, former President of the local group. **V.W. Bowling Squad Cops \$1,000  
For 3rd Place Finish**

A team total of 3196 earned the Volkswagen Bowling Squad a third place finish in the Northern Michigan Bowling Tournament, held a check for \$1,000, according to team captain, Mark A. Baker.

The 234 bowlers competed with 700 other teams in the tournament, an annual northern Michigan bowling event. Other team members include Dennis Henning, Cliff Papp, Chris Eise and Don Germain.

The event, a rotating one, was held this year in Soo, Mich. Don Germain also picked up, along with his partner Dick Christie of Gladwin, \$250 for finishing seventh in doubles competition, and Germain added another \$49 to his wallet with a 5th place finish in All Events. Baker and Henning added another \$15 in the Doubles Category. The V.W. Team competes in the Thursday Night National League here in Grayling.

**Mt. Hope Balloon Launch**

By Peter Paul Meze

A highlight of the week at the Mt. Hope Lutheran Vacation Bible School program will be the annual Balloon Launch which signals the end of the week's activities. This is an event which has proved popular among the youngsters in years past.

Another feature of the Mt. Hope Lutheran children's program is the class con-

ducted by Ms. Nichols, wherein the pupils take part in a "mock" preparation of a radio skit. With professional assistance from Ms. Nichols the youngsters develop a skit and tape it for future presentations.

Mt. Hope's Vacation Bible School will be held during the week of July 31 and conclude August 4. Class hours are 9 to 11:30 daily. The church is located at Spruce and Vine, not far from the "heart" of downtown Grayling.

Ooops, the typewriter did it again! That was the Edgar MacPherson's home on Chestnut Street with all the petunias. The planter boxes at the Dr. Waterfall home on Lake Street have lots of flowers and the front walk of the Willi Schultz home has flowers.

David Bailey, who is employed by the Craft Publication in Decatur, Ga., just outside of Atlanta, spent two weeks in Michigan and visited his parents, Mr. and Mrs. Mahlon Riker.

Jim Rowland of Yakima, Washington, visited his parents, Mr. and Mrs. Harvey Rowland, here for three weeks.

Mr. and Mrs. James Bentley, (nee Janet Rowland) of Goderich, Ontario, had a baby girl, Amanda Elaine, on June 17, 1978. The Rowlands visited there for several days over June 25 and helped Janet celebrate her birthday that day. While Jim Rowland was here, they all went to visit also during the weekend of July 15.

Guests at the Dr. Allison home from July 17 to 20 were Isabell's sister, and her daughter, Mrs. Howard Ritzler and Suzi Bauman, of Poland, Ohio.

Mr. and Mrs. Henry Naour parents of John Naour, of Northville, Mi., are spending most of the summer at their Lake Margrethe home.

**CALENDAR OF EVENTS**

July 29: Bake Sale, Frederic Community Park, 10 a.m. - 2 p.m. Sponsored by the Frederic Homecoming Committee.  
July 29: Benini dance, music by the AuSable River Band, 8 p.m. 'til 12 Midnight, Frederic Community Park. Sponsored by the Frederic Homecoming Committee.

been held up due to objections raised by the Property Owner Association. Opposition to continuation of the project was voiced at a public hearing on the subject July 12th.

"We feel the Army is sincere in its concern for the quality of Lake Margrethe," Brenner continued, "however they are unable or at least unwilling to guarantee that the installation will not result in contaminants entering our lake." The Army has pledged that a stream running through the lot area will be diverted so that its ultimate lake destination will remain relatively unchanged.

Following the July 12th public hearing, Lake Margrethe property owners were invited by camp officials to view the camp area where the parking facility is planned. Although impressed by the Army's ecological sincerity, lake property owners remain unconvinced that no possible lake water quality damage is assured.

Therefore the association continues in its quest to halt, or at least insist that the parking lot site be changed. Toward that end, another public hearing is planned, the date not yet set where additional arguments on the matter will be heard, with the probability that both sides will be represented by legal counsel.

"We certainly have no quarrel with the camp itself - we think it's vital to Grayling," continued Brenner. "It's the unwillingness of the military to guarantee no lake contamination that has us concerned." The Property Owner Association meets three times per year officially, but the parking facility project has prompted numerous special sessions this summer.

The association duly respects the Army's concern for environmental protection but its concern for Lake Margrethe's future water quality has taken precedent. The DNR permit allows a continued filling of the parking area, but paving approval still remains a question mark.

Nonetheless, the battle, though a friendly one, continues on and whether or not the Army will be permitted to continue an apparent necessary project can be blocked by property owners concerned about the lake's environmental quality, remains a matter for conjecture. At any rate, apparently both sides respect each other's position in the matter and perhaps, down the road somewhere, an acceptable compromise may be arrived at.

A change of pace for the Grayling Golf Auxiliary on Wednesday, July 19. The ladies teamed up in foursomes for Scrambles in the morning's play. The foursome of Corrine Smith, Faith Stripe, June Schwarz and Joan Shively came in with an even par of 37 and low putts of 11. On holes 3, 7, and 2, they scored low and on holes 1, 9, and 8, the foursome of Pearl Tucker, Mickey Perez, Evelyn Gardiner and Ann DuBois took high. Twenty-five ladies enjoyed the day and a lunch of par-burgers served by Sandy Brogger and her helpers, Leigh Theaker and Tanya Sojka.

## WOMEN GOLFERS AT GAYLORD

Because it never rains on a golf course, the few sprinkles did not discourage the women golfers when they traveled to Gaylord Day at the Gaylord Country Club on Tuesday, July 18. A most enjoyable morning was spent on the course followed by some delicious snacks and an excellent lunch of tuna salad, rolls and cake.

Prizes were awarded to the following golfers: low gross for field, Betty Schrader, 44, and Nancy Fisher, 45, both of Gaylord.

Low net for the first flight were Roberta Shrum, 35 of Gaylord, and Mary Pettengill, 39, and Corrine Smith, 43, of Grayling.

Low putts was Betty Schrader, 12. In the second flight, Joan Treves of Gaylord had low net of 32, and June Schwarz, 38, and Mary Sidwell, 43, both of Grayling. Joyce Scheerhorn of Gaylord had 14 putts.

In the third flight, Katie Frear, of Gaylord had 38, and Sis Burr, 41 and Donna Denton, 45, both of Grayling. Billie Corbin of Gaylord had 18 putts.

In the last flight, Natty Matias, of Gaylord had a low net of 35, and Eddie Blaha and Clara Beaufait, both of Grayling had 38 and 39. Clara Beaufait had 16 putts. Chip-ins were by Marilyn Nemeth and Betty Schrader, both of Gaylord.

Besides the prizes, all of the Grayling women were presented with golf towels which the Gaylord women had made.

Many of the Grayling ladies stayed to enjoy another round of golf in the afternoon.

## AARP Meet

Crawford County Chapter #1681 of the American Association of Retired Persons held their July meeting Monday with a Noon picnic at the home of Lucile and Frank Hoffman at Blue Lake Hostel Lodge.

After a bounteous meal, a short business meeting was held with president Floyd "Dud" SanCarter presiding. The chapter presented Mr. and Mrs. Frank Hoffman with a gift, the occasion being their first wedding anniversary.

Canoe rides were enjoyed by some of the members, and Frank Hoffman entertained with several selections on the zither. A most enjoyable time was had by all who attended.

The next meeting will be held August 28th at the Senior Citizen Center at 7:00 p.m. Frances Olsen, Publicity Chairperson

## Fires & Other Complaints Keep Sheriff Department Hustling

by Joe Schröder

According to Undersheriff Joe White, three fires during the past week, in addition to a rash of other investigations, kept the Sheriff's Department plenty busy during the week. No exact cause has been established for a fire that heavily damaged the Bruce Smith residence on Evergreen Drive early Friday morning.

The Fire Department responded to a neighbor's call at approximately 3:20 a.m. Friday morning only to find the residence engulfed in flames when they arrived. The Smiths were out of town when the blaze occurred. Firemen were on hand at the scene throughout most of Friday morning.

The Sheriff's Department, with assistance from the

Michigan State Police Fire Marshall are sifting through the ruins to attempt to determine the exact cause of the fire.

County Firemen responded to two other fire calls over the weekend, one involving a car fire at the Jerry Muth residence on Brink Street, where a minimum amount of damage was reported; the second, occurring at 12:30 a.m. Monday morning at the Grayling House where a

blaze in a hood over a kitchen cooking stove broke out. Little damage occurred in that incident.

In other departmental activity, White reported that eleven breaking and entering reports were investigated along with 10 malicious destruction complaints. Twenty property damage incidents were investigated and the Department was called upon in three personal-injury auto accidents.

## Little League Allstars Pound West Branch

Grayling Little League's All-Star team traveled to Ossineke last Saturday and came home savoring an 11-2 victory over West Branch. The team, managed by Ed Martella, who is assisted by Jerry Morford, traveled back to the lake-shore area Tuesday to square off against Alpena Huron Shores. (last week's State Camp), who defeated Grayling, 14-4 Monday afternoon.

In Saturday's contest, Grayling broke into the scoring column in the 2nd inning with three runs, and added two more in the 3rd. Holding a 5-1 lead going into the sixth, Grayling erupted for 6 runs to seal the victory.

Dave Brooks was the winning chucker for Grayling, going all the way for the victory. Hitting stars for the local squad included Brooks, who went 2 for 4; Ryan Morford, 2 for 3 and Dave Dean, 2 for 4. Tom Sorenson and Rob Morrill added doubles apiece while Steve Priebe chipped in with a single.

The Frederic Alumni for the years of 1922 - 1965 are still trying to locate Leo Miller 1952, Gary Kaiser 1963 and Laura Hubbard 1963. They also do not have any names for the graduating class of 1932. Please note this dinner is not being held at the time of the Homecoming, but will be held at Auman's House of Catering in Grayling on Saturday, August 19. Cost is \$6.00 per person. Dinner is at 7:00 p.m. and there will be an open bar. Remittance with reservations must be received no later than August 12th. RSVP to Helma Post, Route 1, Box 397, Frederic, MI 49733, or call 517-348-8361.

On Friday, July 21st, George Kesby returned home after spending the summer with his sister and husband, Mr. and Mrs. Michael Lance of Telonsha, Mich. While down there they spent a week and a half in Florida. His sister and Uncle Lauren Bertke, of Manchester, brought him home. They also called on Mr. and Mrs. John Kesby of Grayling.

Jack and Arlein Kesby gave a dinner Friday night for some friends of theirs, Mr. and Mrs. Chandler Gleason, of Ovid, Mich. They have been in the U.P. for several days.

Mr. and Mrs. Joe Walsh of Pigeon and Mr. and Mrs. Richard Boyd of Swartz Creek and their families spent the weekend with their parents, Mr. and Mrs. Evert Jones. They came to attend the Money-DeVos wedding.

## OBITUARIES

### Tuesday Services For Arthur R. Cook, 72

Funeral services for Arthur R. Cook, 72, of Lovells, who died Saturday, July 22, 1978 at his home, were held at Sorenson Funeral Home Tuesday afternoon. Rev. Harold Hazzard officiated and interment was in Elmwood Cemetery.

Mr. Cook was born in Milan August 22, 1905 and had been a resident of Lovells for five years, moving to Crawford County from Dearborn, where he was an architect with Eberle Smith Co. He was a member of the Lewiston Lions Club, the Lovells Hook and Trigger Club, the National Audubon Society and the Lovells Township Board of Review.

He is survived by a sister, Mrs. Alice Balden of Hot Springs Village, Arkansas, nieces and nephews. His wife preceded him in death.

### Services Held For Harry T. Ward, 79

Harry T. Ward, 79, of Grayling died Saturday, July 22, 1978 at his home. He was born in Pittsburgh, Pennsylvania February 20, 1899 and was a graduate of Carnegie Tech in 1922. He was president of the Harry T. Ward Co. of Lansing and had been a fulltime resident here since 1977 and a parttime one for 25 years.

Mr. Ward was a member of the Country Club of Lansing, a Life Member of the City Club of Lansing, American Legion, 40 and 8, Elks Club, Past President of the Michigan Road Builders Association, Founding Member of the Michigan Senior Golf Association and an avid golfer, hunter and fisherman. He was Chief Deputy Highway Commissioner for the State of Michigan from 1944 to 1952, the time during which the plans for the present Interstate Freeway System were developed.

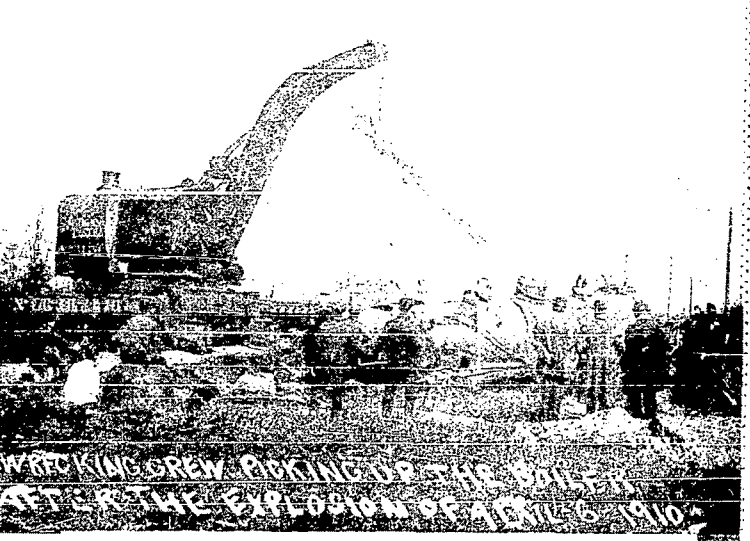

He is survived by his wife, Virginia; a son, Harry T. Ward, Jr. of Grosse Pointe; a daughter, Mrs. Rex (Virginia) Brophy of Grosse Pointe; a brother, Edward Ward of Pittsburgh, Pa. and three grandchildren, Elizabeth, Mary and Harry T. Ward III.

Funeral services were held Tuesday at St. Mary's Catholic Church with Rev. Father Louis Ivandic officiating. Interment was in Elmwood Cemetery. Members of the Knights of Columbus who served as pallbearers were Ralph Millikin, Clifford Malloy, Richard Lovely, Perry Wells, LeRoy Akers and Larry Balch.

## Entertain Guard Wives at Country Club

by Fay Bovee  
The wives of the officers of the Michigan National Guard were entertained at an afternoon reception by the women of the Wednesday

morning golf auxiliary on Monday, July 17 from 2 to 4 o'clock at the Grayling Country Club. Eighty women enjoyed an afternoon of visit-

The punch and canape table and coffee and dessert table were centered with baskets of summer flowers and the small tables were centered with crystal goblets with flowers.

Evelyn Sager and Dorothy Phillips presided at the coffee table.

The affair was coordinated with the guard wives through the efforts of Marian Joseph and President Pearl Tucker. Mary Jane Knibbs and Flight A ladies decorated the dining room while June Schwarz and the Flight B group were in charge of the canapes and Joan Shively and Flight C ladies provided the punch and served.

Everyone agreed it was a pleasant afternoon of getting acquainted.

## Combined Church School a Success

The Michelson Memorial United Methodist Church was the location of the combined Episcopal-United Methodist Vacation Church School last week, July 17-21. The theme of the program was "We Hear God's Word" and it was interpreted by the seven different classes each in their own way.

The 5th-6th grade class expressed its creative talent by writing and producing a slide show on the Apostle Paul who was the main figure in their study during the week. The 3rd-4th grade class looked at how to study the historical roots of the Bible and culminated their work with a "mock" archaeological dig in the back of the church. They displayed a table of their findings to share a little of what artifacts future generations might discover in order to learn about us. The highlight for the 1st and 2nd graders was a play production of the Gospel Luke's parable of the "Prodigal Son." For the Kindergarten class it was the making of puppets used on the last day to teach the children something about the kind of persons they should try to be. Creative crafts with a message was the main emphasis of the 3 and 4 year olds. Each youngster had some colorful items and a story to tell about them when he or she left for home each day.

The program was completed on a high note when all the participants came together to share a picnic lunch in the church fellowship hall. A bit raucous when they all got together, it was rather like the feeding of the 5,000 all over again.

Approximately 80 children, 19 teachers and the respective clergy participated in the school. These youngsters came not only from the two sponsoring churches but from other denominations in town as well. It was hoped that the

many rest stops on the highways and for free distribution. Arrangements are also made with the State Travel Bureau who distribute another 20,000 brochures at the travel and trade shows. These shows are held in all of the principal cities such as Milwaukee, Cleveland, Cincinnati, Detroit, Des Moines, Toronto, Chicago, etc.

This kind of exposure to foreign state markets is one of the reasons that Grayling is enjoying the good tourist business that it is.

The brochure explains the many attributes of the area, such as cross-country skiing, fishing, snowmobiling, hunting and canoeing. Also, there is information about churches, camping grounds, sights to see, places to go and things to do.

The brochure also contains a complete business directory of the chamber members, such as retail stores, industries, wholesale outlets and attractions.

The printers are soliciting advertising that pays for the brochure and also gives the advertiser exposure 60,000 times to the buying public.

Some of the 1978 brochures are still available at the Chamber of Commerce office.

### Legion Sponsoring Chicken Dinner

Grayling's American Legion Post 106 and Auxiliary will be holding a Chicken Dinner this Saturday, July 29th, at the Legion Hall with serving scheduled for 5 to 8 p.m.

The event is part of this year's Milltown Festival. Advance tickets can be obtained from Donna Bielski, Mike Ingalls, Al Kesteloot or Chuck Fye. Tickets will not be available at the door.

### Surprise Shower For Bruce Smith

By Fay Bovee  
Bruce and Corrine Smith were the surprised guests of honor at an impromptu household shower held at the Grayling Country Club on Monday evening, July 24, 1978.

About 160 guests from the entire community were on hand to shower them with much needed household items after they lost all their belongings in an early morning fire last Friday. Bruce and Corrine were supposedly being treated to a dinner out but on the pretense of picking up his wife at the club, Paul Thomson drove in where all the guests were assembled.

Besides the gifts, a guest book was on hand for signatures. After opening their gifts, Bruce and Corrine thanked the guests for their thoughtfulness and friendships.

Among the guests were their son and wife, Terry and Janice Smith of Belaire, and their daughter and husband, Doug and Kim Randall and Carrie, of Houghton Lake.

### Bits O' Talk

by Fay Bovee  
Guests at the Abner C. Sager home on the Main Street from Thursday until Monday were Mr. and Mrs. John H. Loece of Flint and Mr. and Mrs. Stanley G. Wilson of Grand Ledge. This has been an annual visit for nearly 20 years. Mr. and Mrs. Kermit E. Nicholson of Florida, neighbors during the winter, arrived on Tuesday and stayed until Friday. They were impressed with the mammoth pines at Hartwick Pines State Park, the never-ending flow of the AuSable, and enjoyed a canoe float.

Spending the weekend of July 15th with Mr. and Mrs. Carl Bartoli, of Lake Margrethe, were Mr. and Mrs. Jack Smith and family, of Fremont; Mr. and Mrs. John Wilson and family of Jackson; Mr. and Mrs. David Welch and family of Rockford; they were joined by Mr. and Mrs. David England and family of Grayling, for a most enjoyable family reunion.

Ralph Rottier of Oakland, California, spent two weeks here visiting his mother, Mrs. Helen Roblin.

## Federal Forester Explains Wild River to AuSable Council

by Willard Bosserman  
County Extension Director  
Carl Gebhardt, U.S. Forest Service from Cadillac met with the AuSable River Watershed Study Council Tuesday, July 18 to explain the Wild and Scenic River designation.

He said that Congress had included the AuSable River along with the Manistee as study rivers in 1975. It became the job of the U.S. Forest Service to take the leadership in making the study.

The study is complete and recommendations are made, but Mr. Gebhardt stressed that public input can change the recommendations. He, therefore encourages people to attend the public hearings which will be held in September or October.

The recommendations is to include segments of the AuSable River in the National Wild and Scenic Rivers System under the following classifications.

From Interstate 75 to Mio Pond is recommended to be classified as recreational.

Three sections recommended to be classified as scenic are: Mio Pond, Federal Power Comm. Boundary to Alcona Pond, the South Branch from Chase Bridge to Mainstream and the North Branch from Lovell Bridge to Mainstream.

Some questions have been asked about who will enforce the program if it is put under the act. It states in the conceptual river plan that local governments will be encouraged to enact and administer zoning regulations which will protect scenic and other resource values of the river zone.

The plan compares favorably with the Crawford County zoning ordinance now in effect. There would be some additional restrictions, however.

Where the property owner

feels the restrictions are too great may sell scenic easement rights. The federal government will pay the land owner a sum of money not to develop a certain piece of land.

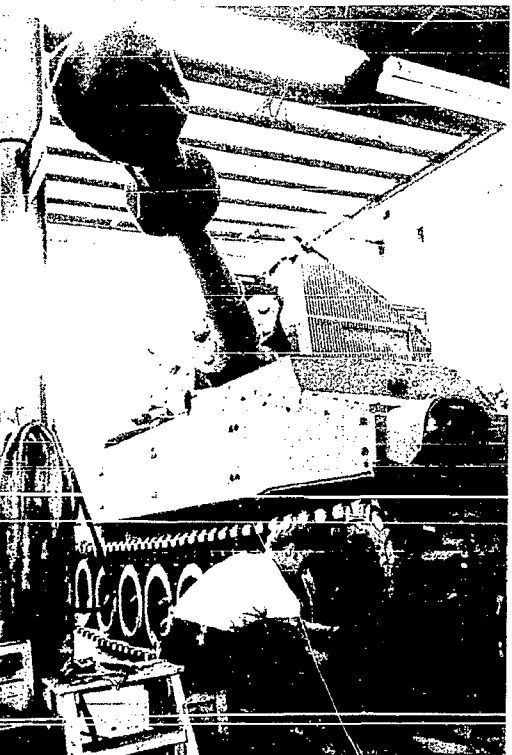

The federal government will not be able to purchase any land on the AuSable. The act specifically says that "if 50 percent or more of the entire acreage within a federally administered wild, scenic or recreational river is owned by the United States, by the state or states within which it lies, or by political subdivisions of those states, neither secretary shall acquire fee title to any lands by condemnation under authority of this act."

Carl explained that 21 percent of the land is in public ownership now and when the Consumers Power Company gets through selling their land to the state and federal government cannot acquire fee title to any other lands. But, they can acquire scenic easements and may use condemnation procedures to do so.

Scenic easements would not give the public the right to enter upon the property for any purpose, nor affect any regular use exercised prior to the acquisition of the easement without the owner's consent. It would not affect the right of a landowner to sell their land or the right of their heirs to inherit the land. It would not affect the right to the landowner to perform maintenance on all existing roads, structures, and buildings, and the right to replace or rebuild any road, buildings, or structure now existing with similar roads, buildings, or structures in substantially the same locations.

Canoing is mentioned in the draft study. To quote from the study, "Under exist

## Lansing Report

[by Ralph Ostling]

During the summer when the House and Senate have recessed and most legislators are on the campaign trail, much of the work we've accomplished is completed by a stroke of the Governor's pen.

Here is an update on new laws enacted recently in our state:

The major portion of the package of bills designed to cope with the growing problem of domestic violence was signed into law. The bills, sponsored by my Republican colleague Representative Connie Binsfeld of Maple City, have thrust Michigan into the forefront of the nation by providing clinical, non-criminal alternatives to dealing with assault by a spouse.

The new laws authorize the court to order counseling for the abusive spouse, which, if completed, will eliminate any criminal penalties. The court may also place a spouse convicted of assault on probation if it is the first conviction for an assaultive crime.

The terms of these laws give the courts flexibility in dealing with a complex problem and provide ways in which a family can stay together through corrective measures, rather than simply separating the spouses, many of whom do not want to be separated.

Other bills in the package expand the arrest authority of law enforcement officers, require local police chiefs and sheriffs to report information related to domestic violence to the State Police, and permit spouses to obtain injunctions.

Michigan's new laws have been hailed as the toughest and most thorough domestic violence statutes in the nation, and are sure to become a model for other states.

## United People, Inc. Moves to Atlanta

United People, Inc. has moved its organization to Atlanta! The center which was formerly housed in Lewiston for over four years, has relocated 1/2 mile north of the blinker light on M-33.

United People, Inc. is a Substance Abuse Center which services parts of Oscoda, Otsego, and Crawford counties and all of Montmorency County.

Among the services available to the public are: one to one counseling and group counseling for youth between the ages of 12-18. Information concerning community resources in the area and a 24 hour help-line, 785-4224, are offered to the public.

The staff of United People, Inc. includes: Susan Paredes, Director; Richard Beaver, Therapist, and Julie Mowery, Secretary. They invite the public to visit or call on them at 785-4224. Business hours are 8:30 a.m. to 12:00 p.m. and 12:30 p.m. to 5:00 p.m. Anyone desiring a brochure on these services may write to United People, Inc., P.O. Box 131, Atlanta, Michigan 49709.

## Tourists Benefit the Whole Community

by Willard Bosserman  
County Extension Director

In recent recreation based economy like we have in Crawford and Roscommon Counties tourists are important to our economic well being. Even so some people don't realize their importance.

Although certain businesses receive the bulk of the tourist dollar - motels, hotels, resorts, restaurants, gift shops, retail stores, tourist attractions, gasoline stations and transportation companies - secondary businesses also benefit.

This latter group includes construction firms, laundries, food and other types of wholesalers and suppliers, public utilities, entertainment places and local ser-

vices - barbers, hairdressers, printers, photographers, even doctors and dentists. Thus, everyone in the community eventually benefits financially, either directly or indirectly.

All levels of government benefit from tourist tax dollars. Examples of taxes he may pay are sales, use, gasoline, cigarettes, liquor, and entertainment. The tourist as a consumer helps pay real estate, business, and income taxes since these are paid by the business firms from customer revenues.

According to recent estimates, two travelers in Michigan spend about \$40 to \$50 per day on lodging, meals, recreation, sightseeing, and shopping. By attracting 100 additional visitors per day

for a year, an established tourist area would gain about 100 new, part or full-time jobs, \$800,000 in personal income, \$160,000 in bank deposits, and tax money to pay for the education of 42 children for one year.

Tourism is the science and business of attracting visitors, accommodating and serving them. Like any business or industry, it needs the moral and financial support of the entire community.

Individual tourist oriented businesses do make much effort to attracting visitors. A chamber of commerce does a great deal in attracting visitors to a community.

## Vows Spoken

Sandra Gayle Galvani and Vern Ritsema were united in marriage in a double ring ceremony on June 22, 1978 at 7 o'clock in the evening at the Assembly of God Church in Rockwall, Texas. Judge Durwood Whipple performed the ceremony.

Matron of Honor was Cher Finley, and best man was James Finley, both of Rockwall, Texas.

A dinner reception was held at the Red Lobster following the ceremony. The newlyweds will be making their home in Rockwall after spending their honeymoon in Oklahoma.

Sandra is the daughter of Mr. and Mrs. Domenico Galvani of Grayling. Vern is the son of Wilhelmine Reniss of Wayland, Mich.

There were several showers given honoring Sandra and Vern, including one by her Aunt Mary Treese, on June 15th at her home in Rockwall.

## On Ferris' Honors List

**BIG RAPIDS** — Ferris State College has honored 1,701 students for scholastic excellence during the spring quarter by naming them to the Academic Honors List. Robert E. Ryan, Vice President for Academic Affairs, has announced.

To be named to the Academic Honors List, a student must earn at least a 3.25 average on a 4.0 basis and carry a full academic load. A full load is defined as 14 quarter hours of credit.

Students named to the list included Glen W. Whaley, son of Mr. and Mrs. Earl Whaley of Grayling.

## Orson Bean At the Cherry County Playhouse

The Cherry County Playhouse will open the month of August with comedian Orson Bean starring in the Bill Manhoff comedy "The Owl and The Pussycat". From August 1 through August 6, Mr. Bean will play Sherman, a stuffy author whose observations of life lead to some startling revelations. While gathering material for a book by peering at his neighbors through binoculars Sherman finds himself involved in an unlikely love affair with "the girl next door."

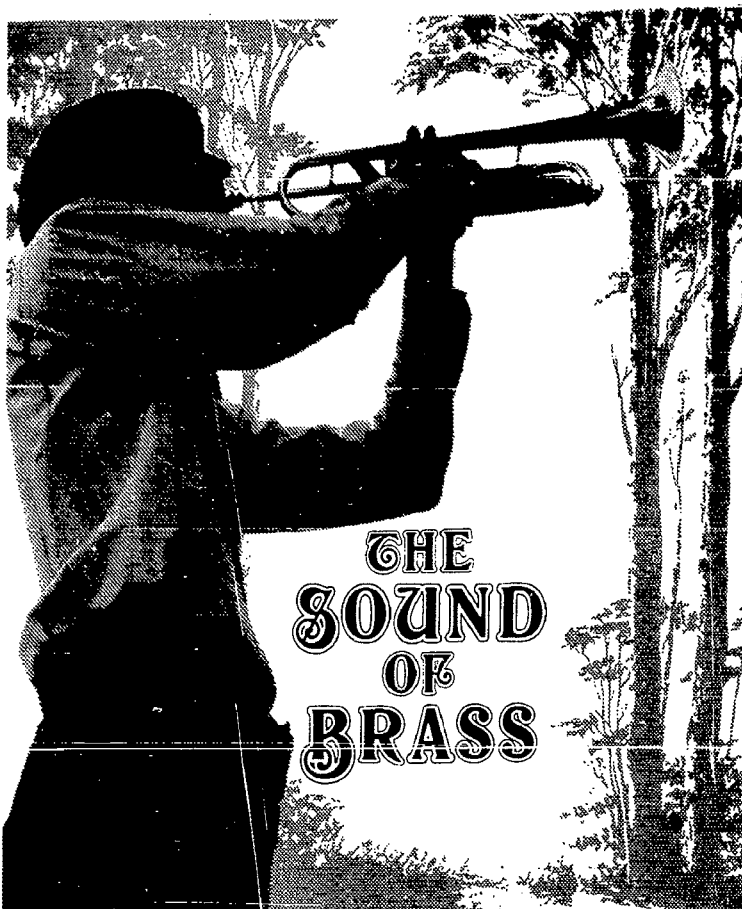

Orson Bean, who began his performing career as a night club performer at New York's Blue Angel, has a stage career that spans almost three decades. On Broadway, he has appeared in "Mr. Roberts", "Subways are for Sleeping", "Never Too Late", "Roar of the Grease Paint, Smell of the Crowd", and "Illya Darling", as well as numerous touring and stock performances around the country. Among his films is the academy awarding "Anatomy of a Murder". Mr. Bean is known to television audiences as a panelist on "To Tell the Truth" and "What's My Line".

"The Owl and The Pussycat" will be performed Tuesday through Friday at 8:30 p.m., Saturday at 6:00 and 9:45 p.m., Sunday at 7:30 p.m. with a Thursday Matinee at 2:00 p.m. For ticket information call the Cherry County Playhouse in Traverse City at (616) 947-9500.

## Second Children's Play Opens

The Cherry County Junior Players open the second children's theatre production of the 1978 season on July 21 with their presentation of "Cinderella". The production features all of the traditional charm and characters of the classic children's tale while allowing the audience to get involved in the action. "Cinderella" will be performed at 10:30 a.m. on July 21 and July 28. No advance reservations are necessary and tickets are available at the door.

## Attend the Church of Your Choice

On a summer Sunday morning... at a boys' camp... a silhouette of the call to worship.

Interesting that man has used the percussion instruments to express the tempo of his excitement—and strings to translate his deepest emotions into melody. But generally he has chosen the brasses to sound his call to action.

Worship is action! It is our reaching

out toward God. Through centuries it has united men in their quest for truth. It has been the clarion of consecration, courage, commitment. It has inspired love and sacrifice, hope and resolve.

Make worship part of your life. Its trumpets call you to new adventures in the discovery of Truth... the journey to a lasting Joy.

## A little surplus

Why collect more taxes  
than needed to operate

Richard Milliman

With the complicated yet enticing subject of tax limitation prominent in political discussions these days, it is not unusual to see so many politicians scrambling to line up in favor of Michigan ballot proposal on the subject.

There is little question that California's Proposition 13 helped focus public favor behind the current drive to curb tax growth. And it is well to remember that one of the primary reasons for approval of Proposition 13 was a California budget surplus of some \$3 billion. With that much booty sitting around doing nothing, how come taxes kept going up, taxpayers kept asking. The response was Proposition 13.

In Michigan, meanwhile, those who promoted the so-called "rainy day fund" for state government were generally hailed as far-sighted and wise; the "rainy day fund" was created as a sort of bank account into which the state deposits money in good economic years, to be withdrawn during recession periods to help avoid cuts in state services.

There were few dissenters as the plan sailed through the Michigan Legislature; in fact, The Almanack was one of the few public voices raised in opposition.

A recent check indicated about \$211 million has accumulated in the fund. While that doesn't approach the magnitude of California's \$3 billion surplus, the principle is the same, namely: Why should governments be permitted to collect more taxes than they need to operate?

California government built a surplus and got clobbered at the polls with Proposition 13. Michigan does the same thing by design and on a smaller scale (see far) and rakes in general public praise and improved bond ratings.

Politics is a strange business; in Michigan, the "rainy day fund" praise may turn a bit sour as the rhetoric heats up in preparation for the public vote on tax limitation later this year.

Where Michigan taxpayers are wallowing in expenditures by their state government, take another look at the tally on the public largesse to candidates running for governor under

Michigan's campaign financing law. Under the law, gubernatorial candidates are entitled to 2-to-1 matching funds from the state treasury after they receive \$50,000 in individual contributions of \$100 or less.

At last tally, Democrats had received \$810,000, for their campaigns; Sen. William Fitzgerald received \$291,103 in public funds. William Ralls got \$246,037. Sen. Patrick McCollough received \$171,559, and Zolton Ferency dipped in for \$102,130.

On the Republican side, even though he's unopposed in the primary, Gov. Milliken was entitled to \$165,000 in tax money for his campaign.

Altogether that's \$975,000 which in my view, is poor use of taxpayers dollars. Oh, well; if it didn't go for politics, it would probably have meant only another near-million for the "rainy day fund".

ALMANACK UPDATE—A recent column told of some penny-pinching by state agencies in an attempt to hold down costs.

For example, state employees were urged to use the self-serve lanes at gas stations when they were caught out on the road in state cars and had to buy gas. Savings were figured at \$100,000 a year.

Central Michigan University claimed it cut utility costs by some \$109,000 by installing adjustable shower heads around the campus.

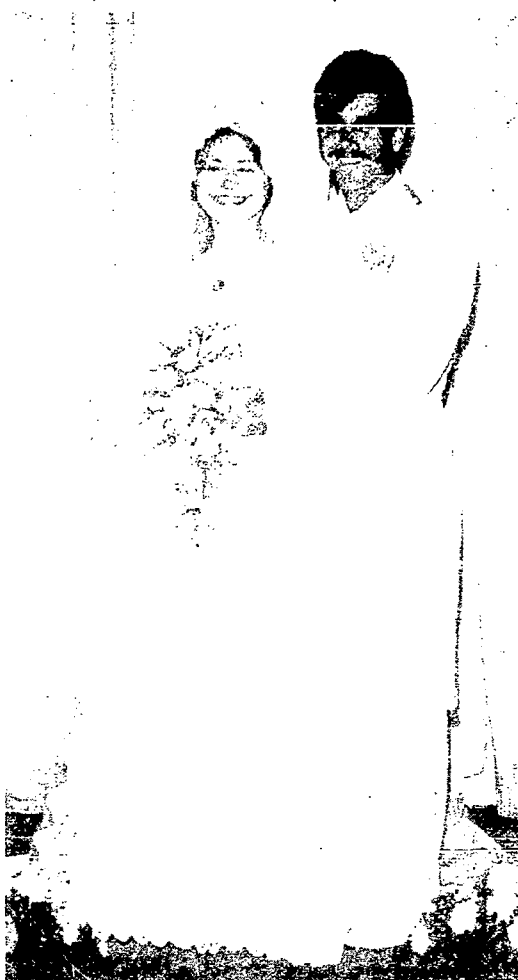

If Michigan's version of tax limitation wins this fall, maybe these and similar efforts will be pushed harder. And if that happens, maybe Zolton Ferency, the perennial campaigner, should be elected governor.

A recent report indicated Ferency's campaign staff was urging Ferency to a spiff up his appearance a bit.

"We told Zolton he'd have to buy a new suit," according to Vicky Hugley, a campaign staffer. "The one he wears has been through five other campaigns and is starting to look a bit tacky."

Maybe that's the kind of penny-pinching governor the times require.

Or, maybe Mr. Ferency could buy a new suit out of that \$100,000 the taxpayers are donating to his primary campaign under the campaign finance law.

Diane Lynn Stephan and Mark Lewis Adkison were united in marriage Saturday, July 8, 1978 at St. Mary's Catholic Church. The one o'clock ceremony was performed by Father Thomas Neis and Father Louis Ivandic before approximately two hundred guests.

Diane is the daughter of Peter and Gloria Stephan and the groom is the son of Carol L. Adkison of Grayling, and Edda Adkison of Sparta, Tenn.

The bride was given in marriage by her parents. For her marriage, she chose a scoop-neck gown of nylon chiffon over white satin with a long lace chapel train. The lace-covered bodice was trimmed with seed pearls and lace cuffs accented the full chiffon sleeves. The Mantilla style veil also had a chapel train, and she carried a cascade of white and rust silk roses.

White and rust mums decorated the altar with a 25 year wedding candle given to the bride by her aunt, Mrs. Ernestine Church. Mrs. Pat Schreiner was the organist. Soloists were Anne Marie Church. Selections presented were "The Wedding Prayer", "Evergreen" and "The Wedding Song".

Mrs. Leigh Theaker was the matron of honor with Kathy Adkison, sister of the groom, from Sparta, Tenn., and Judy Drefts, cousin of the bride, from Gaylord, serving as her bridesmaids. Lou Ann, niece of the groom, was the ring girl. The bride's attendants wore identical peach colored tiered gowns trimmed with white lace and with white picture hats trimmed with peach ribbons and they carried bouquets of white and rust silk carnations.

Serving the groom as best man was Michael Hettinger, with Herb and Bryan Stephan, brothers of the bride, serving as groomsmen and ushers: Adam Adkison, brother of the groom, served as usher, with David Stephan, cousin of the bride, serving as ring bearer. All of the groom's attendants were attired in rust tuxedos.

A luncheon reception was held in the St. Mary's Family Center immediately following the ceremony.

For her daughter's wedding, Mrs. Stephan chose a floor length gown of coral with cape-like chiffon overlay, trimmed with a feather boa while

### District Court

The following appeared before Judge Francis L. Walsh in the 83rd District Court last week.

Patricia Shorts, of Frederic, was found guilty by jury to the charge of cruelty to animals, to wit, failure to provide proper shelter. She was put on probation for 12 months. Shorts was arrested by the Sheriff's Department. Date of the offense was January 6, 1978.

Marc Lynn Bindschatel, 18 of Frederic, demanded a preliminary examination on the charge of larceny in a building. The 12 day period was waived and a \$1,000.00 personal bond was set. Bindschatel was arrested on a citizen's complaint. Date of the alleged offense was June 24, 1978.

Cantaloupes  
When buying cantaloupes, choose ones with saucer-like depressions at the stem end. A mature cantaloupe will be covered with netting on the surface that is well raised, coarse and corky. Ripe cantaloupes will be springy when pressed lightly between the palms.

ing circumstances and planned development, an estimated 605,510 activity days will occur on public recreation facilities by 1990. Fishing use would increase from 72,067 activity days in 1976 to 144,134 in 1990; hiking from 768 to 45,955; and hunting from 8,127 to 9,805. Canoeing use would be reduced from the 1976 level of 212,221 activity days per year to 88,476 activity days.

Carl Gebhardt recognizes the economic impact of the canoeing industry and will welcome input on this part as well as on other parts of the study.

### Lovells Chapel Guild

The Lovells Chapel Guild met at the Ladies Club House July 5 with Edith Maki as hostess. Eight members enjoyed a lovely potluck lunch. The tables were decorated in red, white and blue in keeping with the 4th of July holiday.

A business meeting was held and plans made for the annual Guild Silver Tea. It will be held on Saturday, August 12, from 2 p.m. to 4 p.m. this year and there will also be a bake sale. All are welcome. Come on out to Lovells and enjoy fellowship with us.

Hostess for the next meeting will be Hazel Koernke.

## KEEPING HEALTHY

A RECENT DEFINITION OF

## STRESS

AN EAGER, CONFIDENT PERSON IS ELATED AT THE BIG JOB PROMOTION, BUT FOR ONE LESS CONFIDENT IT CAN MEAN UNBEARABLE ANXIETY AND STRESS.

EVERYONE SHOULD PINPOINT THE CAUSE OF STRESS, TRY TO STOP IT BEFORE IT HAPPENS, DEAL WITH IT AS IT OCCURS AND FORGET IT AFTER IT HAPPENS.

MOTION by Kauffman, second by Mattis, to adopt this Resolution from Leelanau County. All Ayes. Carried.

## Resolution #5-78

WHEREAS, Article 9 of the Michigan State Constitution provides that the Legislature shall provide by law for the auditing of County accounts by competent authority and other Units of Government as provided by law, and

WHEREAS, Section 5 of Act 71 of the Public Acts of 1919 provides for the examination of the books, accounts, and financial affairs of each County Office by such auditors, examiners, and assistants as the Auditor General considers necessary, "to be paid by the State Treasurer out of funds appropriated for that purpose," and

WHEREAS, Act 380 of the Public Acts of 1965 changes reference from the Auditor General to the State Treasurer, and

WHEREAS, Section 2 of Act 2 of the Public Acts of 1966 defines a local Unit of Government as a City, a Village, and a Township, and

WHEREAS, Section 5 of Act 2 of the Public Acts of 1968 provides that all local Units of Government shall have audits of their financial records, accounts, and procedures in accord with certain prescribed time schedules, and

WHEREAS, Section 6 of Act 2 of the Public Acts of 1968 provides that local Units of Government may retain Certified Public Accountants to perform such audits. Further, if any Unit fails to provide for an audit, the State Treasurer shall either conduct the audit or appoint a Certified Public Accountant to do so with "the entire cost of any such audit to be borne by the local Unit of Government"; and

WHEREAS, Substitute House Bill 5250 amends Sections 2 and 5 of Act 2 of the Public Acts of 1968 by addition of "Counties" to the definition of local Units of Government; defining an "Independent Audit" as an examination of the books of a local Unit of Government as prescribed by the Act by a Certified Public Accountant or by the Dept. of Treasury; and revising the time schedule for such examinations, and

WHEREAS, Substitute House Bill 5250 is silent as to Section 6 of Act 2 of the Public Acts of 1968 thereby leaving "the entire cost of such audits of County books to be borne by the County";

NOW THEREFORE BE IT RESOLVED, that the Leelanau County Board of Commissioners urges the amendment of Substitute House Bill 5250 to revise Section 6 of Act 2 of the Public Acts of 1968 to include language essentially as follows: "The entire cost of any such audit of County books shall be paid by the State Treasurer from funds appropriated for that purpose," and

BE IT FURTHER RESOLVED, that copies of this Resolution be furnished to Senator Toopp, Representative Binsfeld, Michigan Association of Counties, Northern Counties Association, all County Boards of Commissioners, and Local Government Audit Division, Michigan Dept. of Treasury.

Resolution from Marquette County read regarding a reformed property tax system

MOTION by Harland, second by Bidvia, to table action on this Resolution. All Ayes. Carried.

St. Joseph County Resolution read regarding Road Commission members.

MOTION by Kauffman, second by Harland, to table this Resolution from St. Joseph County. All Ayes. Carried.

Alpena County Resolution regarding the Taxpayers United for Tax Limitation group.

MOTION by Kauffman, second by Martindale, to support this Resolution from Alpena County. All Ayes. Carried.

To all Boards of Commissioners

At the May 23, 1978, meeting of the Alpena County Board of Commissioners the Commissioners went on record as supporting the committee known as Tax Payers United for Tax Limitation.

This group is presenting a Proposed Amendment to the Michigan Constitution on a ceiling on taxes in the State of Michigan and would like this matter placed on the ballot at the November General Election if they obtain enough signatures.

The Alpena County Board of Comm. wishes to notify all the Counties in Michigan of their stand and hopes that other counties in Michigan will take this stand also.

Commissioner Kauffman gave a Health Dept. report. Also reported on the Council on Aging meeting he had attended. It was reported that there is proposed legislation regarding the expansion of the requirements for a medical examiner.

MOTION by Mattis, second by Harland, that this Board support this proposed legislation. All Ayes. Carried.

A memo is to go out to all Dept. Heads & Employees regarding the July 3rd day off.

As there is no further business to come before this Board, MOTION by Kauffman, second by Bidvia, to adjourn.

MOTION by Harland, second by Failing, to remove from the table the Marquette County & St. Joseph County Resolutions for the purpose of discussion. All Ayes. Carried.

The Resolution read from Marquette County regarding the Property Tax System.

MOTION by Mattis, second by Bidvia, to support this resolution from Marquette County. All Ayes. Carried.

WHEREAS, The property tax system is inequitable, discriminating against those who choose to invest in home and land, while being unresponsive to an individual's ability to pay as in the income tax system; and,

WHEREAS, The property tax system is unduly complicated, making it difficult and costly to administer including school district boundaries that are often in conflict with city and township boundaries; and,

WHEREAS, Well over 50% of local property taxes go for school operation; and,

WHEREAS, The combining of school taxes with local government operation taxes is confusing to taxpayers, making it difficult to accurately place political responsibility and fiscal accountability; and,

WHEREAS, Under the existing system of the County Tax Allocation Board, it is not possible for elected officials to directly act to reduce millage; and,

WHEREAS, Income tax credits for education is clearly a separate issue from property tax reform and could seriously confuse the issue of reform if tied to any property tax reform proposal; then,

THEREFORE, BE IT RESOLVED, That the County of Marquette does hereby call on the State Legislature and the Governor to actively support Representative Roy Smith's Proposal C, if provision for income tax credits for education is removed from the proposal, since the proposal would:

1) remove the burden of school taxes for operating expenses from the local property tax,

2) provide county and township governments with fixed millage for operating expenses, that would allow them the option of reducing millage at their discretion, and

3) abolish the out-dated and inefficient Tax Allocation Board System.

BE IT FURTHER RESOLVED, That copies of this resolution be sent to members of the Senate Taxation Committee, the House Taxation Committee, all U.P. State Legislators, the Governor, each county in the State, the Michigan Association of Counties and Representatives Roy Smith.

The St. Joseph County resolution regarding their opposing the proposed amendment to the State Highway Commission read.

MOTION by Harland, second by Kauffman, that we do not support this resolution from St. Joseph County. Mattis--No. All others Ayes. Carried.

On weather seems to be favorable for the abundant production of grasshoppers. I have seen reports that they were eating grain south of St. Helen. Grasshoppers are as thick as they are tall in some of the community gardens at Pioneer Hill west of Grayling.

A few years ago, (about 18), I saw them eating pine seedlings. The grasshoppers were so thick they had eaten everything else so were eating the pine seedlings. This is unusual as pine is not one of their favorite dishes.

We used to have a bait station in Lake City where I would mix bait composed of sawdust, bran, and a little molasses, along with some poison. Farmers would spread this on the breeding grounds which would be in the weeds around the fields and in fence rows. Later they came out with chlordane which farmers sprayed on the breeding grounds. This was easier and more effective than the bait. However, chlordane has pretty much disappeared from the market, therefore, some other insecticide must be used.

Sevin is the one recommended. This can be purchased in a commercially prepared bait and spread around the weeds around the field or if nothing is to be harvested within 7 days can be applied on the field.

Sevin can also be sprayed on the infested area.

MOTION by Harland, second by Kauffman, to adopt these guidelines for the Crawford County Youth Services as amended. All Ayes. Carried.

**Crawford County Youth Services**

1. A Youth Services Fund will be established with the County Treasurer.

2. The Youth Services Fund will be a part of the County Treasurers General Bank Account.

3. The Crawford County Youth Services Board will approve all vouchers before they are presented for payment. Checks will not be written against this fund unless they can be covered by the balance on deposit with the County Treasurer.

4. All Youth Service monies will be deposited with the County Treasurer and recorded separate from County monies.

5. Only Youth Services expenses will be charged against the Youth Services Fund.

Commissioner Harland reported on the Animal Control Officer Activities.

A CETA position request form had been presented to the Board members from our CETA office. The Judge of Probate is requesting a CETA slot for a Probation Officer.

Personnel Committee will study this request.

Carolyn Suffield from our CETA office came before the Board & presented them with a list of all the people employed under our CETA program for the entire County. The Consortium anticipates a cut-back of 10% in the funds for Crawford County for fiscal year 1979. This will mean that the employing agency will either cut-back on employees or pick them up on their payroll. This matter was assigned to Personnel & Finance Committees.

The appointment to the R.C. & D. Agriculture Commission will be held over till next meeting.

A letter of resignation was read from George Stancil from the County Board of Canvassers committee, effective immediately.
